

## Provider Entity Disclosure of Ownership, Controlling Interest and Management Statement

PIHPs must comply with federal regulations to obtain, maintain, disclose, and furnish required information about ownership and control interests, business transactions, and criminal convictions as specified in 42 CFR §455.104-106. PIHPs are required to collect disclosure of ownership, controlling interest and management information from providers that participate in the Medicaid and/or the Children's Health Insurance Program (CHIP) managed care network pursuant to a Medicaid and/or CHIP State Contract with the State Agency and the federal regulations set forth in 42 CFR Part §455. Required information includes: 1) the identity of all owners and others with a controlling interest of 5% or greater; 2) certain business transactions as described in 42 CFR §455.15; 3) the identity of managers and others in a position of influence of authority; and 4) criminal conviction information for the provider, owners and managers. The information required includes, but is not limited to, name, address, date of birth, social security number (SSN) and tax identification (TIN).

Completion and submission of a *Disclosure Statement* is a condition of participation in the Medicaid and/or CHIP managed care network and is a contractual obligation with Region 10 PIHP for services to members under Medicaid and CHIP benefit plans. Failure to submit the requested information may result in denial of a claim, a refusal to enter into a provider contract, or termination of existing provider contracts.

This Statement should be submitted with the initial contract and updated annually prior to the contract renewal period, and at any time there is a revision to the information, change in ownership, or upon a request for updated information. A Statement must be provided within 30 days of a request for this information. Physician and health care professional members of a group practice that are credentialed or enrolled into the Medicaid or CHIP managed care program by Region 10 PIHP or by a delegate of Region 10 PIHP must submit a signed *Individual Provider Statement* attesting to the requirements under these regulations at the time of credentialing, or contracting, if requested by Region 10 PIHP or by a delegate of Region 10 PIHP. *Any members of a group practice that have ownership or controlling interest in the Provider Entity identified below, or is related to another owner of the Provider Entity, must submit a signed Individual Provider Statement.*

**Determination of ownership or control percentages:** (a) Indirect ownership Interest. The amount of indirect ownership interest is determined by multiplying the percentages of ownership in each entity. If A owns 10 percent of the stock in a corporation which owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership interest in the disclosing entity and must be reported. Conversely, if B owns 80 percent of the stock of a corporation which owns 5 percent of the stock of the disclosing entity, B's interest equates to a 4 percent indirect ownership interest in the disclosing entity and need not be reported.

(b) Person with an ownership or control interest. In order to determine percentage of ownership, mortgage, deed of trust, note, or other obligation, the percentage of interest owned in the obligation is multiplied by the percentage of the disclosing entity's assets used to secure the obligation. For example, if A owns 10 percent of a note secured by 60 percent of the provider's assets, A's interest in the provider's assets equates to a 6 percent and must be reported. Conversely, if B owns 40 percent of a note secured by 10 percent of the provider's assets, B's interest in the provider's assets equates to a 4 percent and need not be reported.
